TRANSPORT & LOGISTICS SERVICES

Intermodal Equipment Inspection and Certification

BUSINESS CHALLENGE

Bureau Veritas provide superior inspection services on a global scale. We are committed to being the global leader in innovative, information-driven solutions and services for the transportation and logistics industries.

SOLUTION

What is Transport & Logistics Services?

Bureau Veritas Transport & Logistics Services (TLS) provides superior intermodal equipment inspection and certification services throughout the world. Our inspection services include dry containers, refrigerated containers, ISO tanks, special containers, chassis, trailers, gensets, generators, DOT cylinders, ADR road tankers, quay cranes, spreaders, purge systems and many others. We provide both statutory and non-statutory inspections and certifications world-wide.

What are the key benefits?

- Tighter control of your maintenance and repair costs. We make sure your standards are met.
- Decrease time spent on administrative activities.
- You are able to focus your resources on your core business. No time spent generating reports or conducting analysis - we do them for you.
- Higher quality fleet management. Better quality equipment means fewer surveys, reduced repair costs and meeting your clients' expectations.
- We are based all over the world.

WHY CHOOSE BUREAU VERITAS?
